

## PARK VIEW ELEMENTARY

### January 2019 Parent Bulletin

Dear Parents/Guardians,

Welcome back and Happy New Year! We as a staff hope all of you had a wonderful winter break as well as a restful one with your family members. On December 20, 2018 we concluded our second grade period/semester. We will be reaching out to you to conduct Parent/Teacher conferences if necessary and distribute your child's report card. Our staff continues to work diligently to provide your child with a quality education as well as support. We still need your assistance in communicating to your child the importance of returning completed homework assignments, planners being signed, **daily attendance**, following all school rules and participating in all school and class activities. **“Children can only learn if we all work together” TEAM!!!!** Thank you for your continued support.

#### **ATTENDANCE**

It is imperative that we, as a **TEAM**, continue to strive for our goal of 98% daily attendance. We are aware that illnesses will occur and that in the best interest of all students there will be times that keeping your son/daughter at home is necessary, but please make an effort to have your child attend. **Students can only learn if they are in attendance and exposed to instruction, which increases student achievement.** We are experiencing the cold/flu season and would like to request that for the months of **December through March (2<sup>nd</sup> & 3<sup>rd</sup> Qtrs.)** our students dress accordingly. **Shorts are not to be worn** during this timeframe in our efforts to avoid having students miss school because of illness. We encourage all students to please make sure they also have a jacket/coat during the winter months.

#### **PARENT/GUARDIAN VISITATION**

Please continue to assist us in making sure our school is a safe environment by checking in with the office and filling out the log as well as getting your visitor's pass. We want to ensure our students that everyone in the building is accounted for. Visitors and volunteers are encouraged, but we need to have record of them in the office prior to visiting the classroom.

I hope you understand our concerns for your child's safety and will assist us in our proactive approach in providing a safe and secure atmosphere. In abiding by our request we would be able to better monitor the traffic flow and avoid having any unwelcome strangers enter our building.

We are also requesting that all parents/guardians please make sure that your child's informational card is updated. Our office personnel attempts to call the numbers that appear on the enrollment card in case of emergency or other related concerns. If you have a specific sequential order that you would prefer please stop by the office to update your child's enrollment card.

### **SCHOOL HOURS**

**We need your help!** We have no morning supervision on the school grounds prior to 7:40 a.m. **Please do not drop your child off prior to 7:40 a.m. In case of inclement weather Kdg-2<sup>nd</sup> grade classrooms/students will report to their classrooms and grades 3-5 classrooms/students will report to the gymnasium.**

### **PARENT DROP OFF AND PICKUP**

In order to pick-up or drop-off your child; the preferred area is 9th Street heading west and on heading east on 10<sup>th</sup> street. **Please pay special attention to our new traffic signs, no parking zones as well as fire zones. Our police department will patrol school zone areas and will strictly enforce all traffic laws. Effective January 7th - all schools will be placed on a rotating basis by the police traffic unit for enforcement. The traffic unit will notify the DARE/SRO officer to the schedule.**

### **PBIS SHOUT OUT!!!!**
