Please make note that as parents you may have to wait a bit for your son/daughter to test. We will attempt to have your child through all assessments by the above time frame; the above information is a testing window. The letters denote the letters of the last names that we will be assessing. All students with the last names ranging from A through M will report from 8:00-10:30 AM. Mrs. Sciegel will be in the Media Center and can monitor the STAR testing for grades 1st-5th.
