

PARK VIEW ELEMENTARY

February 2018 Parent Bulletin

Dear Parents/Guardians,

Happy February! I would like to remind you that our staff continues to work diligently to provide your child with a quality education as well as support. We still need your assistance in communicating to your child the importance of returning completed **homework assignments, planners being signed, daily attendance, following all school rules** and participating in all school and class activities. “Children can only learn if we all work together” TEAM!!!! Thank you for your continued support.

ATTENDANCE

It is imperative that we, as a TEAM, continue to strive for our goal of 98 % daily attendance. We are aware that illnesses will occur and that in the best interest of all students there will be times that keeping your son/daughter at home is necessary, but please make an effort to have your child attend. Students can only learn if they are in attendance and exposed to instruction, which increases student achievement. We are experiencing the cold/flu season and would like to request that for the months of **December through March** our students dress accordingly. **Shorts are not to be worn** during this timeframe in our efforts to avoid having students miss school because of illness. **Students may wear shorts during the fourth quarter of school.** We encourage all students to please make sure they also have a jacket/coat during the winter months.

PARENT/GUARDIAN VISITATION

Please continue to assist us in making sure our school is a safe environment by checking in with the office and filling out the log as well as getting your visitor's pass. We want to ensure our students that everyone in the building is accounted for. Visitors and volunteers are encouraged, but we need to have record of them in the office prior to visiting the classroom.

I hope you understand our concerns for your child's safety and will assist us in our proactive approach in providing a safe and secure atmosphere. In abiding by our request we would be able to better monitor the traffic flow and avoid having any unwelcome strangers enter our building.

We are also requesting that all parents/guardians please make sure that your child's informational card is updated. Our office personnel attempts to call the numbers that appear on the enrollment card in case of emergency or other related concerns. If you

have a specific sequential order that you would prefer please stop by the office to update your child's enrollment card.

SCHOOL HOURS

We need your help! We have no morning supervision on the school grounds prior to 8:00 a.m. We continue to experience students arriving up to forty five minutes earlier than the first bell which rings at 8:05am and the 8:10 am start time. **Please do not drop your child off prior to 8:00 a.m. unless they have made prior arrangements with their teacher.**

PARENT DROP OFF AND PICKUP

I want to thank you for assisting in our efforts of providing our kids the utmost safety by picking up and dropping off your child heading west on 9th street and heading east on 10th street. **Please pay special attention to our new traffic signs, no parking zones as well as fire zones. Our police department will patrol school zone areas and will strictly enforce all traffic laws. We are in discussions about a possible pick up and drop off loop; we will keep you up to speed with our progress.**

PARK VIEW BOOSTER CLUB

Please remember we would like to encourage all of you to join our Booster Club and assist in providing our students with opportunities and experiences. We meet the third **Tuesday** of each month from 3:30-4:00 p.m. and discuss and organize activities for our students. **Our Booster Club is planning, Donuts for Dads Friday, February 2nd from 7:30-8:00 am and would appreciate any staff volunteers who may be able to assist to show up by 7:15 am.**

PBIS SHOUT OUT!!!!

I would like to give a big shout out to **Domino's** restaurant as they were our community sponsor for our very successful luncheon! Our kids were very well behaved and enjoyed their lunch! Our students were able to understand the pizza making process by creating their own personal pizza!

REMINDERS
